

DEMPO GROUP – A PROFILE

The Dempo Group has been an inseparable part of the era of industrialization in the State of Goa. A lineage dating back to the 17th century, Dempo today is a name that symbolizes economic progress, trust and commitment to society. Having had business connections with places in Europe, Far East, Japan, Africa and USA, the Dempo Business House started walking the path of success 1941 onwards and ever since, there has been no looking back.

The Dempo Group has wide ranging business interests in Mining, processing and export of Iron Ore, Calcined Petroleum Coke, Pig Iron, Shipbuilding & repairs, Food Processing, Print Media and Energy besides Education and Football.

Today, the Dempo Group is progressing and expanding its reach under the adept and dynamic leadership of Mr. Shrinivas V Dempo, an MBA from Carnegie Mellon University, USA. The group turnover has increased from Rs.2,400 million to Rs.12,150 million over the last 5 years under his stewardship. The Export of Iron Ore business contributes to a majority of the Group's turnover and profits.
