

Welcome to Frankfurt!

Frankfurt is a metropolis, where the world obviously feels at home. Frankfurt is Germany's most international city: open-minded, tolerant and diverse.

Frankfurt is the centre of one of the most productive and dynamic regions in Europe. As continental Europe's largest financial centre, home of the European Central Bank and to the headquarters of many companies, the international importance of Frankfurt continues to grow.

Frankfurt is a dynamic European metropolis, a global village, a melting pot of cultures, languages and lifestyles. The imposing skyline is what newcomers remember most. But behind those glass facades the atmosphere is surprisingly relaxed.

Frankfurt is an exciting and multi-cultural city. People from over 180 different countries live here. Due to this international atmosphere you will find two English, one French, a Russian, a Japanese and an Italian theatre in addition to the municipal opera and theatre venues.
